

Job Posting Part-time 18-Month Contract Clinical Pharmacist

Position Overview:

The Clinical Pharmacist will work with an inter-disciplinary team to provide pharmaceutical care to Summerville Family Health Team (SFHT) patients by optimizing drug therapy. The Pharmacist will also contribute and participate in SFHT patient programs and serve as a resource to the team.

Duties & Responsibilities:

- Provide medication reviews to identify and resolve drug therapy problems as part of the interdisciplinary team;
- Act as a resource to patients and the interdisciplinary team by providing unbiased, evidence-based drug information when required;
- Plan and develop strategies, projects and programs to address the needs of Summerville's diverse patient population, with a particular focus on prevention and management of chronic disease;
- Create patient-centred care plans collaboratively with the interdisciplinary team and the patients; monitor patient progress and adjust care plans accordingly; practice within a pharmacist's legal scope of practice, including prescribing smoking cessation aids, dose adjustments and prescription renewals;
- Facilitating and participating in the delivery of SFHT programs (eg: STOP, Mental Health, Diabetes, Memory Clinic, etc.);
- Collaborate with other interdisciplinary health professionals, family physicians and the Quality Improvement Support Specialist within the Family Health Team, as well as external partners where appropriate, to participate, develop and implement Quality Improvement initiatives;
- Other duties as assigned.

Key Qualifications and Education Requirements:

- Baccalaureate Degree in Pharmacy, a Pharm D is preferred;
- Must possess a minimum of 2-5 years of experience in a primary care or similar practice setting;
- Licensed and in good standing with the Ontario College of Pharmacists (Part A);

- Additional training or credentials (eg: Certified Geriatric Pharmacist, Certified Diabetes Educator, Certified Respiratory Educator, etc.) preferred.

Additional Skills

- Able to partner and work collaboratively as part of a multi-disciplinary team;
- Excellent written and verbal communication skills, including facilitation skills;
- Good critical thinking and decision making skills;
- Intermediate knowledge of Microsoft Word, Excel and EMR (e.g. Accuro);
- Able to work flexible hours in order to meet patient and physician needs, which may include evenings;
- Able to travel between our 5 sites.

To apply for this vacancy please submit a resume with covering letter by email to summervillecareers@summervillefht.com

The Summerville Family Health Team is a respectful, caring and inclusive workplace, committed to Employment Equity. We welcome diversity in the workplace, and encourage applications from all qualified individuals including women, members of visible minorities, aboriginal persons, and persons with disabilities. We will provide accommodations throughout the recruitment and selection and/or assessment process to applicants with disabilities. Applicants need to make their accommodation needs known when contacted.
